

DMD 68

DMD 58

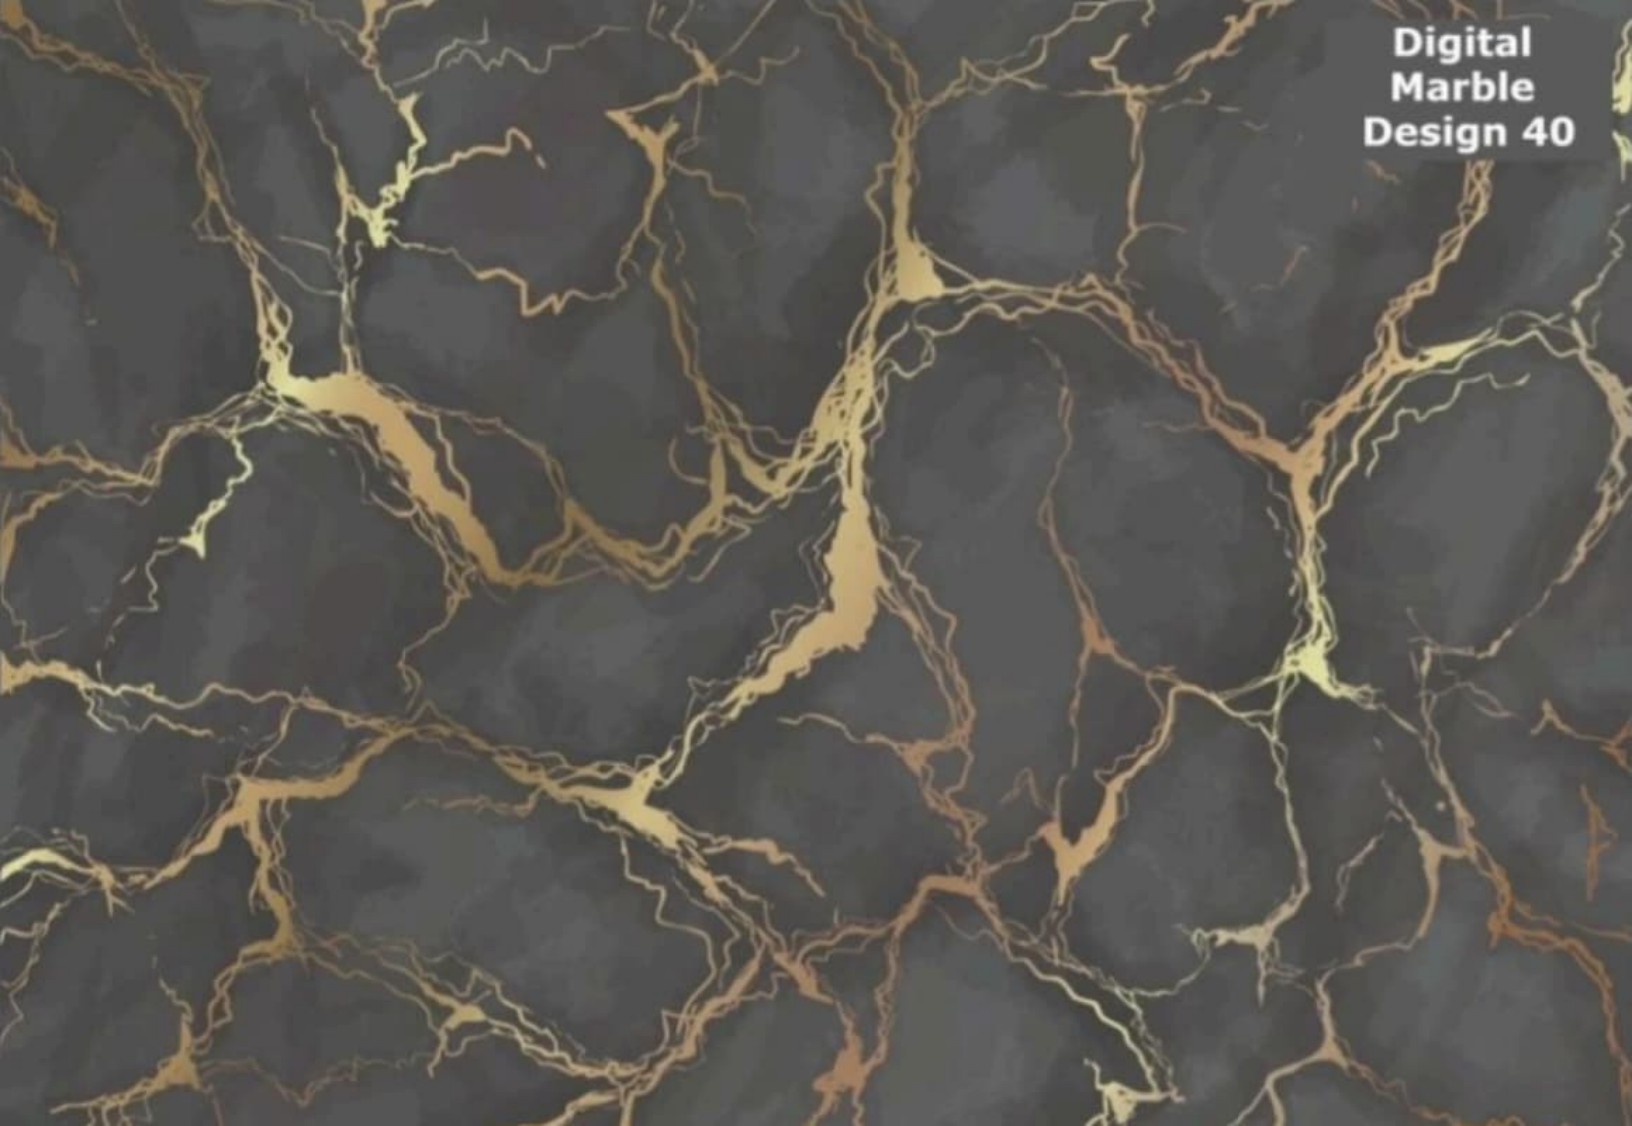

The image displays a close-up of marbled paper, likely used in bookbinding. The pattern consists of flowing, organic shapes in three primary colors: a deep, rich blue, a bright, metallic gold, and a light cream or off-white. The colors are interwoven in a way that suggests movement, with the blue and gold veins curving and swirling across the cream background. The texture of the paper appears slightly grainy, and the lighting highlights the glossy sheen of the gold and the depth of the blue. In the upper right corner, there is a small white rectangular label with the text 'DMD 54' in a black, serif font.
